

SCHOOL DISTRICT ORGANIZATION

STATEMENT OF OBJECTIVES

The Board shall periodically review and at least every two years, on the advice of the Superintendent, retain or adopt goals and objectives to inform the ongoing operation of the District for the upcoming school year. Such goals and objectives shall address the improvement of teaching and learning, major District initiatives, the recruitment and retention of staff, the allocation of human and fiscal resources, and other high-priority areas of emphasis. District goals and objectives shall be coherent with the District's approved strategic plan. These goals and objectives shall be made part of the official minutes of the Board and shall be communicated to all stakeholders of the District.
