Bid No. 24-12

Bid Date: February 27, 2024

Asbestos Abatement – Monroe Street Properties

Superintendent Gill:

After reviewing the bid documents, the District determined that the low bidder, Spectrum Environmental, did not complete minority participation documents as required by the bid documents. Therefore, the next submitted bid from Midwest Service Group was accepted. Midwest Service Group is a women's business enterprise and indicated minority hiring on their documents.

Based on review of the submitted bid documents, I recommend to you and the Board of Education that we accept the bid from Midwest Service Group for the above stated project in the amount of **\$229,998.00**.
