Superintendent Gill:

After reviewing the bid documents, the district determined that the low bidder, KCAV, did not certify participation in an apprenticeship program as required by board policy. Therefore, the next submitted bid from Senergy Electric was accepted.

Based on review of the submitted bid documents, I recommend to you and the Board of Education that we accept the bid from **Senergy Electric** for the above stated project in the amount of **\$163,411.00**.
