

Quote for Services

Early Learning Center
Poured in Place Surfacing and Playground Equipment Replacement
Springfield, IL

Date: May 9, 2022

Superintendent Gill:

The Early Learning Center has requested a quote for installation of Turf Surfacing and Playground Equipment to replace deteriorated and out of compliance playground equipment.

Project will remove existing wood chip fall zone material and add playground equipment and poured in place rubberized surfacing to the site.

Project is funded through ELC's Preschool for All, Early Childhood Block Grant.

Project work is designed and installed through GameTime/Cunningham Recreation based on contracts administered by OMNIA Partners (formally US Communities) a purchasing co-op.

Upon review of the quote submitted on 5-4-2022, I recommend on behalf of the Early Learning Center acceptance of the quote for services by GameTime/Cunningham Recreation in the amount of \$206,815.03.

Respectfully Submitted
