(c) **Third-Party Reports.** Memorial recognizes that the individuals who are actually receiving or benefiting from the Professional Services may be participants in various third-party payor programs, including Medicare and Medicaid. Accordingly, Memorial will assist Client in addressing and satisfying the requirements which are prescribed to participate in such programs, and to be eligible to receive appropriate payment from third parties. Memorial will cause Memorial Personnel to promptly prepare and submit time allocation forms and other supporting documents which are required by Medicare, Medicaid or any other applicable third-party payor programs.

(d) **Ownership of Treatment Records.** The ownership and control of the Treatment Records, as between the Parties, vests exclusively in Memorial;

If any Claims are presented to or threatened against a Client Indemnified Party, Client will promptly notify Memorial of the existence and nature of such Claims, and will then timely deliver to Memorial all of the relevant information or documentation, in the possession or under the control of such Client Indemnified Party, concerning the Claims. The indemnification obligations set forth in this Section shall survive the expiration or termination of this Agreement. Memorial’s indemnification obligations shall be limited to the amount of available insurance proceeds.

2.5 MEMORIAL Representative. Memorial will act with respect to all matters under this Agreement through its President and CEO.

Client will timely furnish Memorial with such information concerning the individuals who are the intended recipients of the Professional Services as Memorial Personnel may reasonably require, including medical histories, to ensure that such individuals are being appropriately treated.

Client’s indemnification obligations shall be limited to the amount of available insurance proceeds.

3.6 Nonsolicitation. During the Term and for a period of one year following the expiration or termination of this Agreement, whichever is later, Client shall not, directly or indirectly, hire or solicit for hire any Memorial Personnel or any former Memorial Personnel whose employment terminated during the twelve (12) month period immediately preceding such solicitation and/or hire.

ARTICLE 4. COMPENSATION.

In consideration of the Professional Services, Client will pay Memorial the fees, charges or rates which are described in the attached “**Exhibit B**” in compliance with the payment schedule set forth in Exhibit B (the “**Fees**”). The Fees have been determined and established by the Parties as set forth in Section 6.3 (Determination of and Restrictions on Fees), and are subject to restrictions on modification as set forth therein.

ARTICLE 5. TERM AND TERMINATION.

5.1 Term. The term of this Agreement (the “**Term**”) will commence on the Effective Date and shall remain in effect for a period of one (1) year, unless sooner terminated as provided in Section 5.2 (Termination) below.

5.2 Termination. This Agreement may be terminated at any time, in the following manner:

(a) **Mutual Agreement.** This Agreement may be terminated as of the date stipulated by the Parties in writing.

(b) **Breach of Agreement.** If a Party (the “**Non-Breaching Party**”) notifies the other Party (the “**Defaulting Party**”) that such other Party has defaulted in the performance of any duty or obligation which the Defaulting Party is required to perform by the terms and the provisions of this Agreement, and that default has not been cured within thirty (30) days following the delivery of the notice citing that default, the Non-Breaching Party, if it so elects, may immediately terminate this Agreement as of the date specified by the Non-Breaching Party in a notice subsequently delivered to the Defaulting Party.

(c) **Convenience.** Either party may terminate this Agreement at any time and for any or no reason upon thirty (30) days written notice to the other party.

(d) **Force Majeure.** Upon written notice to the other Party if either Party is prevented from performing its obligations under this Agreement, by strikes or other labor disputes, official or unofficial, fire, war, flood, or any other reason beyond the Party’s reasonable control.

5.3 Effects of Termination. Upon termination of this Agreement neither Party will be further obligated to perform under this Agreement, with the exception of (a) obligations which accrued prior to the effective date of termination; (b) the restrictions on future contracts set forth in Section 6.4 (Restrictions on Re-Contracting), and (c) any obligations or covenants contained in this Agreement which are specifically stated in this Agreement to survive the expiration and/or termination of this Agreement.

ARTICLE 6. CONFIDENTIALITY AND REGULATORY PROVISIONS

6.1 Confidential Information.

(a) Client acknowledges that it may have access to trade secrets, proprietary information, and confidential information of Memorial, including, but not limited to, the business plans, strategic plans, marketing plans and methods of doing business of Memorial. All such information is and shall remain the sole and exclusive property of Memorial. Client shall not duplicate, photocopy, transcribe for the purpose of removing, or remove any such information, data, records, or property from Memorial. Both during

and after the Term, Client: (i) shall protect and preserve the confidential and proprietary nature of all such information; (ii) shall not disclose such information to any other person or entity, except to the extent required to carry out the duties and responsibilities set forth in this Agreement, or as may be otherwise required by law or medical ethics; and (iii) shall not use such information to Memorial's disadvantage or to Client's advantage or to the advantage of any other person or entity, except to the extent necessary and consistent with the duties and obligations under this Agreement.

(b) A breach of this Section 6.1 by Client would result in irreparable damage to Memorial, and without limiting other remedies which may exist for a breach of this Section, the obligations of Client set forth in this Section may be enforced by temporary restraining order, temporary injunction, and permanent injunction restraining a violation thereof, before, pending or following a trial on the merits. Client hereby waives the requirement that Memorial secure or post bond in connection with obtaining any injunctive or equitable relief, and further waive the claim or defense that the recovery of monetary damages constitute an adequate remedy for a breach of this Section.

(c) Client shall not be prohibited from releasing any confidential or proprietary information of Memorial to Client's legal counsel or financial advisors under this Section, provided that Client places such advisors under legal obligation not to disclose the confidential information.

(d) It shall not be a breach of Client's covenants under this Section if a disclosure is made pursuant to a court order, a valid administrative agency subpoena, or a lawful request for information by an administrative agency. Client shall give Memorial prompt notice of any such court order, subpoena, or request for information, and shall cooperate with Memorial in all lawful activities undertaken by Memorial to limit the disclosure of confidential information and to ensure that any such disclosed confidential information will be afforded confidential treatment.

(e) The covenants contained in this Section will survive the expiration or earlier termination of this Agreement.

6.2 HIPAA Compliance. The Parties shall continuously comply with the "Health Insurance Portability and Accountability Act of 1996," the Health Information Technology for Economic and Clinical Health Act and all of the standards or rules which may be prescribed by the Department of Health and Human Services during the Term as then being applicable to the delivery or the performance of the Professional Services, including the Electronic Transactions Standards, the Privacy Standards and the Security Standards (collectively, "HIPAA"). Among other provisions, HIPAA standardizes the coding of health information, establishes security standards which are applicable to custodians of identifiable patient health information and prescribes privacy standards relating to electronically transmitted health information. Client will promptly report to Memorial any use or disclosure of any health information which is not permitted under HIPAA, whenever Client becomes aware of such improper use or disclosure, and Client, in

addition, will work with Memorial to mitigate, to the extent practicable, any harmful effect, which is known to or which could reasonably be anticipated by Client, of a use or a disclosure of such health information in violation of HIPAA. Client, at the request of Memorial, will execute and then timely deliver to Memorial such documents, including a Business Associate Agreement, as Memorial may desire and mutually agreed upon by the Parties, to evidence Client's compliance with HIPAA. If, however, no separate Business Associate Agreement is signed by the Parties, then this Agreement will serve as that document. The HIPAA obligations and provisions contained in this Section shall survive the expiration or termination of this Agreement.

6.3 Determination of and Restriction on Fees. The Fees have been determined and established by the Parties through arms-length negotiations, as being reflective of the fair market value rate of compensation which may be paid to Memorial in consideration of the Professional Services considering Memorial Personnel's educational training and prior practice and managerial experience. In negotiating the fair market value rate of compensation being paid under this Agreement, the Parties consulted the current version of the Physician Compensation and Productivity Survey as reported and published by the Medical Group Management Association, the applicable rules and regulations published pursuant to the Medicare Fraud and Abuse or the Anti-Kickback Statute (the "**Anti-Kickback Statute**") and The Ethics in Patient Referrals Act (collectively, the "**Stark Laws**"). The rate of compensation being paid to Memorial, as described in this Agreement, does not reflect and may not be modified so as to reflect, in any manner, the volume or value of referrals or any other business which may be generated between the Parties.

6.4 Restrictions on Re-Contracting. If this Agreement is terminated prior to the expiration of the one (1) year period which follows the Effective Date, the Parties may not enter into a contract in substitution of this Agreement for like or similar services or which otherwise replaces this Agreement, until that one (1) year period has elapsed. The restrictions set forth in this Section shall survive the expiration or termination of this Agreement.

6.5 No Required Referrals. This Agreement shall be strictly interpreted and construed so as to comply with all of the provisions of and the referral restrictions which are contained within the federal statutes and laws which are commonly referred to as the Anti-Kickback Statute and the Stark Laws, and all of the rules and regulations promulgated pursuant to, and all of the cases or opinions interpreting, such statutes and laws, as well as any other state statutes or laws which may be applicable to such arrangements. As a consequence, Client is not being obligated or required by the provisions of this Agreement to refer any patients to Memorial, or to any affiliate of Memorial, or to obtain or receive any medical diagnosis, care or treatment from Memorial, or to purchase any health care related services or products from Memorial. No Party is entering into this Agreement with an expectation that such patient referrals will occur or develop between or among Memorial and Client by virtue of the relationship being created by this Agreement.

6.6 Reserved.

6.7 Participation Eligibility. The Parties represent and warrant to the other that such Party has not been: (a) assessed any civil monetary penalty or convicted of any criminal offense involving health care fraud; (b) the subject of any state or federal civil or criminal investigation involving an alleged commission of an act of health care fraud; or (c) excluded, debarred, sanctioned or otherwise deemed or determined to be ineligible to participate in any federal health care program, including Medicare and Medicaid. If, after the Effective Date, a Party is notified or otherwise acquires knowledge or information which suggests that it or any of its personnel is/are the subject of a pending civil or criminal investigation involving health care fraud, or if any Party or any of its personnel is/are convicted of the commission of an act of health care fraud or determined to be ineligible to participate in any federal health care program, then, in any such events, such Party will immediately so notify the other Party, in writing. If Client fails to comply with any of the preceding provisions, or if any of the representations or warranties of Client are determined to be false, or misleading, or if any of the events which are described by any of the preceding provisions occur after the execution and delivery of this Agreement by the Parties, Memorial, if it so elects, may immediately terminate this Agreement upon not less than ten (10) days' notice to Client.

6.8 Reserved.

6.9 Records Access. The Parties shall allow the Comptroller General of the United States and the Department of Health and Human Services, and their duly authorized representatives, access to this Agreement, and all books, documents and records which are related to its provision of the Professional Services, until the expiration of the later of five (5) years after such Professional Services are delivered or performed, or this Agreement terminates. The Parties shall notify the other if it is required to disclose to the Comptroller or to HHS, any books, documents or records relevant to this Agreement and shall make such books, documents or records available to the other Party. The provisions of this Section shall survive the expiration or termination of this Agreement.

6.10 Continuing Legal Compliance. Any provision of this Agreement to the contrary notwithstanding, if Memorial determines, after the Execution Date, that any of the terms of this Agreement materially violate any provision of state or federal law which, if enforced, would jeopardize the ability of Memorial to continue to participate in the Medicare and the Medicaid health care programs, or in any other federal or state health care programs, or would jeopardize the continued federal tax-exempt status of Memorial, or any entities which are affiliated with Memorial, or would result in the imposition of any excise taxes under federal income tax laws or would potentially subject Memorial to any civil monetary penalties or criminal prosecution, then the Parties shall immediately endeavor to renegotiate terms which would result in Memorial being in appropriate legal compliance, in Memorial's opinion. If the Parties are unable to agree on such terms within a reasonable period as determined by Memorial, Memorial may terminate this Agreement upon ten (10) days' written notice to Client.

6.11 Reserved.

6.12 Reserved.

6.13 Independent Contractor. Memorial is contracting with Client as an “independent contractor,” and no provisions of this Agreement are intended by the Parties to create a partnership or joint venture relationship between the Parties, or to allow the Parties to exercise any control or direction in respect to the techniques, procedures, manner, means or method whereby Memorial Personnel deliver or perform the Professional Services, except to the extent stated in Section 3.1 (Standards of Performance).

6.14 No Discrimination. Client hereby certifies that none of its employment policies or practices, nor the general conduct or operation of its business activities, discriminate on the basis of race, color, sex, national origin, ancestry, disability, religion, sexual orientation or preference, marital status, parental status, veteran status, entitlement to benefits or union activities, or any other protected status under any applicable local, state or federal law.

6.15 Reserved.

6.16 Reserved.
